

BORDERS ATHLETICS 2011

ADULT ENTRY FORMS

This entry form document contains entry forms for all games events operating under Borders Athletics rules and carry a Scottish Athletics permit.

There are some very important changes in place for 2011 so please ensure you read and understand the content of this document fully.

Each event has a closing date for entries. **NO LATE ENTRIES WILL BE ACCEPTED.**

No entry will be accepted by telephone or without a fully completed entry form so please ensure you fully understand the entry process for 2011.

RANDOM DRUG TESTING MAY BE PERFORMED AT BORDERS ATHLETICS EVENTS IN 2011 THEREFORE ATHLETES MAY BE REQUIRED TO UNDERTAKE DRUG TESTING IN ACCORDANCE WITH UK ATHLETICS

IMPORTANT INFORMATION FOR 2011

- **HANDICAPPER:** The adults Borders Athletics Handicapper for 2011 is Don Campbell.
- **ENTRY FORMS & REGISTRATION:** *(New athletes: download forms at www.bordersathletics.co.uk or request from B.A officials)*
The entry forms will now act as your registration document, therefore you must complete and supply any necessary amendments to the details along with ticking the boxes of the events you wish to enter. You need only supply amendments once.
IMPORTANT: No entry will be accepted without a completed entry form, therefore please ensure you have completed these forms accurately as failure to do so will result in the form being deemed invalid and you will not be entered into the requested events.
- **ENTRIES:** Entries will no longer be accepted by telephone as all entries must be supplied using the entry forms in this document. There will be a period before and after each Borders Athletics Games event where athletes may bring their completed entry forms to the handicapper along with the relevant monies. **IMPORTANT: The handicapper will no longer accept entries at any other times during the event so you must submit your entries at the allotted times or ensure they are sent by post arriving before closing date.**
ENTRIES NOW CLOSE AT LEAST 10 DAYS PRIOR TO THE EVENT (except Earlston and Hawick Games).
- **BORDERS ATHLETICS NUMBER:** Borders Athletics numbers are issued annually - numbers should be collected at first games entered for £1 cash from B.A. Official. It is imperative when you receive your new number for 2011 that you do not lose it or deface it in anyway as you will be charged for replacements. When competing in events (other than straight sprints) you will be required to wear your B.A number attached to your vest - failure to wear front & back will result in disqualification; no alternative or variation will be permitted.
Replacement numbers will cost £1.00.
- **HANDICAP LIFTS:** Lifts will be applied after four acceptable runs (in the same event) as per B.A. Rules see last sheet in booklet.
- **NON ACCEPTABLE PERFORMANCES (N.A.P):** If the handicapper deems an athlete's performance to be unacceptable, they will be issued with a Non Acceptable Performance (N.A.P) warning sheet and the run in question will not count towards their automatic lift entitlement. If an athlete receives a second N.A.P warning sheet from the handicapper, they will automatically be penalised with the standard handicap penalty outlined in the B.A rules.
- **IMPROVED PERFORMANCES:** Should you post an improved effort to the personal best supplied on the entry form for any games, please inform the handicapper at the first available opportunity. Failure to do so may result in your disqualification from the event.
